The candidate for the CiF auditor introduces itself

by Alfred Stummerer

Dear CiF friends,

According to the Article 4.3 of the CiF Statutes, the Auditor will be elected by the members in writing. After I had volunteered for this position in our association, the Executive Committee asked me for a short presentation to the members. I comply with this request with pleasure.

I have been a member of "Chess in Friendship" since June 9, 1988, directed a lot of tournaments, served as Returning Officer in two Executive Committee elections, and also taken part in two CiF meetings. I prefer playing correspondence chess normally by post, but also by e-mail.

For me, the main thing is that there is an interesting and friendly exchange of views. Together with Kirsten Dorn and Frank Helm, I publish the CiF Magazine. This newspaper deals with various club issues, chess and correspondence chess, and serves all the correspondence chess friends as an opinion platform.

Although I don't hide that I'm not happy with the current support of pure postal players in the club, I have put myself up as a candidate for the CiF Auditor, because I am of the opinion that if a help is needed, one should also help!

Tournament Director's Report

by Alfred Stummerer

Dear CiF friends,

As I advised in the CiF Magazine No. 93, I would like to give you a short overview over the postal tournaments where I am Tournament Director. Let's begin with the Nostalgic Tournaments. These permanently ongoing tournaments provide the members an opportunity to maintain the traditional way of transmission of moves by post.

So far, 21 tournaments have been played, and the winners have been already known in 13 of them. I can congratulate on win to: Gottfried Schwertel, Vladimir Houdek, Arturo Alfredo Lujambio, Hajo Gnirk, Villem Tammemägi, Jens Kucharkowski, Josef Mrkvicka, Andras Verseghi-Nagy and Stefan Reichel. I have to stress that of course, there are multiple winners. One of them is Vladimir Houdek. Vladimir is a very diligent postal player. He has already won three Nostalgic tournaments. Other tournaments are getting close to a determination.

Temporarily, I stopped a promotion for this kind of tournaments, as I expected a start of the next Senior Championship and did not want to overload the few postal players. However, as this doesn't seem to be true, now I accept entries to the Nostalgic tournaments again.

The „Graham Curtis Memorial“ started on 27 February, 2014. Some results and even winners have been already known. Frank Bendig is the winner of the Section 5, and Waldemar Kozlowski won the Section 8.

Unfortunately, in the Section 7, many games had to be cancelled because of a serious illness of Hans Schneider. The same thing happened in the Section 8 where Ivacir Helbing did not show.

Also, there are some results in the Jubilee postal Tournament „30 Years of CiF“. Four preliminary sections started on 24 November, 2013. In the Section 1, there is a suspenseful duel for a win between Wolfgang Richter and Vladimir Houdek. However, in order to win this Section, Vladimir would have to win all 3 still ongoing games. The Section 3 was won by Frank Bendig with Vladimir Houdek as a runner-up. In the Sections 2 and 4, everything is still open. 2 best placed players in every section will promote to the Final round.

In the Final of the „Bernhard Züchner Memorial“, Vladimir Houdek currently leads with 4 points before Frank Grey with 2,5 points. However, Frank still has a possibility to achieve two more points.

Only then we will be able to congratulate to the winner of the Memorial tournament in tribute of the founder of our association.

Still, I have to remark that all tournaments run without any complications. Claims are very rare and if they occur, they are set right quickly and the games continue again. Indeed, it is a pleasure to be a Tournament Director of such tournaments.

Jubilee Tournaments on the Remote Chess Server

by Josef Mrkvicka

On the occasion of the 30th Jubilee of the founding of CiF, the CiF Executive Committee announced Jubilee tournaments on the Remote Chess Server. The tournaments were open to all CiF players, however, every player could submit only one entry. The 47 registered players were then distributed to 4 sections, according to their rating.

All 4 sections were started on the same day – 2nd September, 2013 – and are directed by Roland Markus.

As the tournament uses a pace of 10 moves for 40 days and the unused reflection time can't be carried forward, just 3 of 4 sections now have already been finished (July 2015). In the entire tournament, only one game between Wolfgang

Richter and Rolf Sicker in the Section B still has been ongoing. The result of this game is fatal for the final placings, therefore, the final cross table of this section will be published in one of the next issues of the CiF News.

We thank all players who participated in this Jubilee tournament and cordially congratulate to the section winners who are just known:

- Section A: Josef Mrkvicka (CZE)
- Section C: Gerhard Ahrens (GER)
- Section D: Rainer Schulz (GER)

Finally, here are the final cross tables of the finished sections:
