CiF Executive Committee Meeting in Makkleeberg

by Josef Mrkvicka

On October 2, 2015, the regular annual CiF Executive Committee (EC) meeting was held at the hotel Markkleeberger Hof in Markkleeberg (near Leipzig).

The meeting was attended by Josef Mrkvicka (Chair), Wolfgang Mehlhorn, Matthias Jurisch and Thomas Amelang. Roland Markus apologized for health reasons.

The meeting was conducted according to the following agenda:

1. Opening
2. Control of the tasks from the previous protocol
3. Financial issues (2014-2015 dues)
4. CiF software
5. CiF News (including preparation of the next issue)
6. CiF post tournaments
7. CiF email and server tournaments
8. CiF meeting 2015 and next meetings
9. Election of the CiF Auditor
10. Miscellaneous
11. Preparation of the next EC meeting

At the meeting, the following decisions and results emerged:

- The EC noted with regret that due to passivity of the responsible contractor, the project of updating the CiF software had failed. Therefore, CiF will have to continue working with the existing software.
- The next edition of the CiF News should appear until the end of November.
- Because of personal data protection of members, no dates of birth will be published in the future editions of the CiF News.
- By Peter Flögel, a proposal of "No-Engine" – postal tournaments was presented to the EC. These tournaments should be played normally by post and no chess engines may be used (except for databases). The EC fully supports this idea and charged the CiF General Tournament Leader to further elaborate the tournaments in cooperation with Peter Flögel.
- The EC noted that the naming of the server Championship as a "9. GM" had been unlucky and some players and officials had been misled. The EC stressed that the next CiF general championship would be announced as a postal tournament again (with the possibility of email play upon agreement of players). In the future, the postal and server Championships will be consistently dealt with separately and clearly differentiated with the name.
- The Board noted with regret that after the resignation of Manfred Scheiba, the cooperation with the management of the Remotechess server remained unsatisfactory. Unfortunately, without a data delivery from the server, it will be impossible to fulfil our promise and include the results of the server tournaments in the CiF rating figures.
- In the next CiF News, the results of the election of the CiF Auditor will be published. The Returning Officer Hans-Dieter Wassilieff will present his report to the EC after October 15, 2015.
- The Board highly praised the work of Gisela and Günter Henker during the preparation and conduct of the CiF meeting in 2015 in Markkleeberg. The next meetings will be organized annually, on condition that there is a local organizer available.
- The CiF meeting in 2016 will take place in Kassel from 30 September to 3 October, 2016. Sylvia and Wolfgang Mehlhorn will take over the organization. In 2017, the CiF meeting will be held in Dresden and organized by Peter Flögel (this consultation took place after the EC meeting). There are already proposals for the meetings in 2018 and 2019.
- Because of the cost savings, the EC preferably will conduct its future sessions during the CiF meetings.

Announcement – Nostalgic Tournaments

by Alfred Stummerer

Dear friends of the correspondence chess,

Following the old and popular tradition, our association organizes the nostalgic tournaments. In these tournaments, four friends play by letters or cards (in mutual agreement also by email) two games with each opponent. Every tournament is scheduled for 3 years; if necessary, a prolongation by another year is always possible. Nobody should feel being pressurized by the time of reflection.

However, the special thing by these nostalgic tournaments is a friendly exchange of

opinions! In the same way as it was usual in the initial years of the „Chess in Friendship“, we occupy ourselves with a friendly written discussion, exchange thoughts and statements..

As the Tournament Director, I accept your entries at any time.

Frank Grey is the winner of the Bernhard Züchner Memorial

by Alfred Stummerer

On 26th April, 2010, I distributed the announcement of the tournament in memory of the founder of our correspondence chess association. 22 players in 5 sections (multiple entries were allowed) participated in the preliminary round. The preliminary round took almost 3 years. In the beginning of June 2013, I was able to launch the announcement of the final round of this tournament, and since 21st February, 2016

the winner has been known:

I cordially congratulate Frank Grey on the win of this tournament.

Finally, I would like to express my thanks to all participants for the participation and for a smooth progress of the tournament. I was delighted to act as the tournament organizer for you.

Announcement of a „No-Engine-Tournament“

by Matthias Jurisch

Our friend Peter Flögel from Dresden asked us to organize tournaments in which a use of chess engines is explicitly undesired. The Executive Committee, in particular the General Tournament Leader, always accepts any members' incentives with pleasure. As a further step, a test should be made how this new idea would be accepted by our members. Similarly to the nostalgic tournaments, sections of 4 players will be started continuously, depending on the entries received. In case of a relevantly big interest, a „No-Engine-Championship“ with more stages can be organized. This type of tournament will

be announced as a postal tournament. This means that the communication should take place normally by post. In mutual agreement of the opponents, a communication by email would be allowed.

Send please your entries to the Tournament Director:
