CiF Meeting „Tulipáns en Flor“2012

por Wolfgang Mehlhorn

Queridos amigos,

From 18th till 22nd April, almost 30 CiF members, including accompanying persons, got together at the CiF meeting in Haarlem. The motto of the meeting was „Tulipáns en Flor 2012“. This was just the third meeting organised by Johan Baars in the Netherlands. Whoever knows Johan had to be sure in advance that the meeting would be perfectly planned again, with a very attractive programme.

On Wednesday 18th April afternoon, the participants arrived to the Bastion Hotel, the meeting venue. Some of them undertook a short trip to Zandvoort at the North Sea. In the evening, they gathered to a pleasant chat.

The next day showed the real highlight of the meeting, as the visit of flowering tulips and of the exhibition of flowers in the well-known Keukenhof was scheduled for Thursday. It was no surprise at all as the flowering tulips are a real magnet for tourists from the whole world. An incredible beauty of flowers in many artistic arrangements and combinations could be seen everywhere. In the afternoon, we visited Noordwijk at the North Sea. We undertook a nice beach walk, because the weather was too cold even for the “iron men”.

For Friday, a visit of Amsterdam was scheduled. Most of us knew the city just from the former meetings. However, probably nobody of us had seen before the Navy Museum that we visited. In the building of the 17th century, a history of the Dutch ship building and trade since the 16th century is presented. A gracht boat trip and a short walk, unfortunately part way in the rain, closed this day.

Then, we spent the Saturday in Haarlem. In the morning, we visited the Frans Hals Museum. The world's biggest collection of Frans Hals' paintings and many pictures from other Dutch artists of the 16th and 17th centuries are presented there. In the afternoon, we made a guided old town sightseeing, divided into two groups. In the evening, we could say good-bye to this meeting and to each other, and set out for the journey home next on Sunday morning.

Our best thanks – and for sure, of all participants of the meeting as well – go to Johan who put all his efforts into the organisation of this wonderful meeting. Everything worked perfectly, and we could hear nothing but positive comments and assessments.

Mis mejores deseos, Wolfgang

CiF Meeting 2013

por Josef Mrkvička

Queridos amigos,

In my closing speech at the CiF meeting 2012 in Holland, I promised to report on the planned next CiF meeting as soon as possible. Unfortunately, this took more time than I supposed – nevertheless, as today I just can write more about this issue.

Just some years ago, given the sinking participants' interest, the CiF Executive Committee decided to organize CiF meetings every second year only. However, as the year 2013 will be a jubilee year of CiF, the Executive Committee decided to make an exception from this rule.

In Holland, Frank Jörges promised to check a possibility to organize the CiF meeting 2013 in

Meiningen or its surroundings. Recently, he reported that because of a lack of accommodation capacities and also from personal reasons (moving), he was sorry to be unable to organize the meeting just in 2013. Nevertheless, he simultaneously promised to do that in the year 2015.

Despite this, the CiF community will not miss its yearly meeting in 2013, as Wolfgang Mehlhorn volunteered to take over the organization of this meeting in Kassel or its surroundings. Many thanks, Wolfgang!

Consequently, the next 2 CiF meetings have been pencilled in as follows:

2013 – 03.10. - 06.10 Kassel or surroundings
2015 – Meiningen or surroundings.

Miloslav Hladeček

★ 01.12.1948 † 01.05.2012

We are very sorry to have to let you know the sad news that on 1st May, 2012, our Czech member Miloslav Hladeček from Karlovy Vary passed away.

This sad news came just out of the blue and hit hard all his colleagues, friends and comrades. Still in April, Miloslav played, communicated and joked with his CiF friends. However, the destiny could be often very cruel.

Miloslav played very long over-the-board chess, but just since his young age, he inclined to correspondence chess. However, in the last years he clung to correspondence play, because of his motion problems. It was admirable that in spite of his big number of simultaneously played games (often around 80), he could reach many remarkable successes, above all in the national tournaments. He was the 22nd Czech Correspondence Chess champion, he also won the 9th and 10th Czech CC Veterans Championship.

In the last months, he belonged to the 3 top players on the CiF rating list, however, his greatest success was the win of the 6th CiF Championship. He also was an ICCF International Master.

CiF lost a dedicated member, an excellent friend and human, for whom correspondence chess was alpha and omega of his life. We ask you to give him a still memory.
